Question	Answer	Mark	Mark scheme
12 (b)	Explanation	C1	for explanation, eg he has reflected in the *y*-axis (not the *x*-axis) **Acceptable examples** Alex didn't reflect in/on the *x*-axis She/he drew it on the *y*-axis or he didn't draw it on the *x*-axis It should be in the bottom right box Used a mirror on the *y*-axis (not *x*-axis) It needs to be reflected down not across Vertical (reflection) instead of horizontal (reflection) Drawn in the correct position on grid **and** statement "it should be here" **Not acceptable examples** the reflection is facing the wrong way It's in the wrong box or it should be on the bottom She/he has flipped it wrong It needs to go down not across She/he (should have) used a mirror There is no label or label in the wrong place Alex reflected the shape
