Question			Answer	Marks	AO	Guidance
11	(a)			B1	2.2b	
				[1]		
11	(b)		(weak) positive association **or** (weak) positive correlation	B1	1.1	allow eg as cost of electricity increases, cost of gas increases **oe**
				[1]		
11	(c)		0.09195 correctly compared with 0.05 or 0.025 only	M1	3.4	allow eg "*p*-value > 0.05"
			0.09195 > 0.025	A1	1.1	allow *p*-value > 0.025
			insufficient evidence [at the 5% level] to **suggest** any **association** between cost of gas and cost of electricity **isw**	A1	2.2b	**A0** if refers to correlation rather than association; dependent on award of previous **A1**
