

Question		Answer	Mark	Mark scheme	Additional guidance
9	(a)	Rotation 90° (anticlockwise) about (− 1, 0)	B2	for rotation 90° (anticlockwise) about (− 1, 0)	Accept 270 ° clockwise
			(B1	for any 2 of the 3 aspects)	Award no marks if more than one transformation is given
	(b)	Enlargement	B2	for correct enlargement with vertices at (1,0), (3,0), (1,2)	Award for clear intention, shading not needed
			(B1	for correct size and orientation but incorrect position or 2 out of 3 vertices correctly placed)
