

15 The incomplete table and the incomplete histogram give information about the times taken by some students to run a race.

Time (t seconds)	Frequency
$10 < t \leq 12$	
$12 < t \leq 16$	10
$16 < t \leq 19$	15
$19 < t \leq 21$	9
$21 < t \leq 26$	7

None of these students had a time for the race such that $t \leq 10$ or $t > 26$

- (a) Use the histogram to complete the table. (1)
- (b) Use the table to complete the histogram. (2)

The histogram below gives information about the times taken by 43 students to run a different race.

(c) Work out an estimate for the median of the times taken by these 43 students to run the race.

..... seconds
(3)
